Dear 

Although the college news conference has long since faded from most people's minds', The Daily Illini has just run the article. I would like to thank both you and the staff and especially Adm. Turner for the time and trouble you went through. I can certainly say that during my four years at The Daily Illini, I have covered few stories that were as interesting as the CIA.

Enclosed is a copy of the article and if you have any questions or need some additional information, please do not hesitate to contact me. Again thanks a lot for your time and trouble. Best of luck to you, your staff and Adm. Turner in the future.

Sincerely,

Barry Kliff
